PERFORMANCE

TECHNOLOGY

## F-PACE. OUR AWARD-WINNING SUV HAS EVOLVED.

#### DISTINCTIVE LIGHTS ADD TO ITS DYNAMISM

F-PACE's new slimmer double 'J' graphic, Premium LED headlights with signature DRL have been designed to enhance the car's dynamic, purposeful look. Added to which, you'll see that the laser-etched monogram detailing – unique to Jaguar – is just one of many lovely touches that elevate the car's looks even further.

DESIGN

仚

#### PRACTICALITY AND SAFETY

PERFORMANCE

The car's individual shape is emphasised by a tapered roofline to reinforce its dynamic stance. The shoulders add to that more purposeful and assertive appearance. Details such as the leaper fender vent give this extraordinary SUV an even greater presence – one that's truly enhanced with a set of 22" Gloss Black wheels with Satin Black inserts<sup>\*</sup>.

PERFORMANCE

F-PACE SVR

TECHNOLOGY

#### BEAUTY, ANY WAY YOU LOOK AT IT.

There's something enticing about the way F-PACE's reimagined tailgate forms a stunning framework for the new high-intensity signature LED lights, with slim, double-chicane signatures and horizontal 3D lenses. The car's rear haunches now look visually wider. Added to which, new integrated tailpipes\*, and airflows within the valance, enhance the car's sporty credentials.

\*Engine dependent.

#### **"SIGNATURE PIECES OF CRAFTSMANSHIP REIMAGINE OUR JAGUAR VALUES."**

TECHNOLOGY

"Inside, the all new F-PACE beholds a truly eye-opening transformation. An Interior epitomising a new luxury, fresh contemporary design and the very latest connected technology. Tactile driver controls reaffirm our performance DNA while signature pieces of craftsmanship reimagine our Jaguar values in a modern context.

> Jaguar is proudly back where we belong beautiful interiors, lovingly crafted."

ise Melan.

ALISTER WHELAN INTERIOR DESIGN DIRECTOR

#### INNER BEAUTY. REDEFINED.

The newly designed cabin is tactile and sumptuous. All-new seating with exquisitely crafted Luxtec\* or leather upholstery in a choice of colours, merges seamlessly with quality veneers. Surfaces are beautifully streamlined and soft to the touch, with everything from the instrument panel topper to the lower surfaces now being wrapped.

Configurable cabin lighting is standard on all models, with a choice of 10 different colours to suit your mood. Intuitive controls and an 11,4" curved Touchscreen deliver wonderfully rich audio-visual infotainment.

\*Model dependent.

**F-PACE SVR** 

#### A TRANQUIL SANCTUARY

Settle into the luxurious Windsor leather front seat<sup>1</sup> and look around the driver-focused cabin. Place your hands on the new split-rim steering wheel and let the calmness and comfort of the environment envelop you. The all-new digital climate control has the most tactile details.

Natural Wood veneers or Aluminium trim finishers on the dashboard and centre console area accentuate the sense of space. Whilst the option of a fixed or sliding panoramic roof<sup>2</sup> enhances that light and airy feeling.

<sup>1</sup>Linked feature. <sup>2</sup>Not available with electrically deployable tow bar or tow hitch receiver on P400e.

仚

PERFORMANCE

#### **GREATNESS IS IN THE DETAILS**

British charm and a sense of occasion influences every feature of F-PACE design. From nods to our heritage with monogram signature engraving on the digital rotary dials and perforation on the seating, inspired by the original Jaguar logo; to subtle 'cricket ball' stitching on the new Drive Selector and embossed Jaguar leapers on the headrests. Every millimetre of the interior has been fine-tuned and crafted.

**F-PACE SVR** 

# A SPORTY SUV FOR THE PRACTICAL YOU

Sporty. Eye-catching. Capable of carrying everything you want to take. In F-PACE there's space for five adults to sit comfortably, with plenty of head and leg room. Plus, a 40:20:40 seating configuration means each of the seats can be folded completely or individually, to accommodate both passengers and bulky items. In fact, with all the rear seats folded, F-PACE's total loadspace capacity comes to a very impressive 1.842 litres\*.

\*Wet volume is the industry standard, which is measured by filling the loadspace with liquid. Volume measured up to the headliner. Boot configuration and total loadspace will vary by vehicle specification (model and powertrain) and market, and if full size spare or space saver spare wheel is fitted.

DESIGN

#### PRACTICALITY AND SAFETY

PERFORMANCE

TECHNOLOGY

**F-PACE SVR** 

#### WHEN LIFE SAYS YOU NEED MORE SPACE

DESIGN

11

Because of the sheer generosity of its loadspace (up to a class-leading 793 litres<sup>1</sup>), F-PACE is perfect for most activities with family and friends. There's a flat loading lip<sup>2</sup> in the boot to make packing and stowing easier, whilst optional loadspace storage rails and functional accessories are available. These include a full-size luggage partition and quilted loadspace liner. VIPs (Very Important Pets) are always more than welcome.

<sup>1</sup>Wet volume is the industry standard, which is measured by filling the loadspace with liquid. Volume measured up to the headliner. Boot configuration and total loadspace will vary by vehicle specification (model and powertrain) and market, and if full size spare or space saver spare wheel is fitted. <sup>2</sup>Engine dependent.

F-PACE SVR

#### TAKING YOUR LIFE WITH YOU

There are some superbly functional and clever interior features on F-PACE: generous door bins, armrest stowage, twin cup holders and an additional stowage space for small items under the centre console. Space is available for two ISOFIX child seats on the outer rear seats, with a third child seat in the centre if needed. Plus, for everyone's comfort, there's Cabin Air Ionisation with PM2.5 filter<sup>1</sup>, our specially-designed filter that captures airborne particles and allergens from the outside. The system then cleanses the air in the cabin to enhance the wellbeing of both you and your passengers. Four USB charging points and wireless device charging with signal booster<sup>12</sup> for your phone are also on hand.

<sup>1</sup>Optional feature. <sup>2</sup>Market dependent.

PRACTICALITY AND SAFETY

PERFORMANCE

TECHNOLOGY

#### **TECH THAT PROTECTS**

It's essential that you feel alert and safe on the roads, especially with family, friends, or pets in the car. F-PACE comes with advanced safety technologies as standard, including Emergency Braking, Lane Keep Assist, Cruise Control and Speed Limiter, as well as a Driver Condition Monitor. Features such as Front and Rear Parking Aid and 3D Surround Camera are also included, meaning you can feel more confident on the road and enjoy hassle-free parking. And to help make your journeys even easier, there are optional packs available too, such as Blind Spot Assist Pack and Driver Assist Pack.

**F-PACE SVR** 

#### **3D SURROUND CAMERA**

Fitted as standard, 3D Surround Camera helps you see more. New 3D exterior perspectives alongside a 360° overhead view of your vehicle help you manoeuvre with confidence.

F-PACE SVR

#### **BLIND SPOT ASSIST PACK**

To take the stress out of motorway driving, our optional Blind Spot Assist Pack includes Blind Spot Assist and Rear Traffic Monitor for added safety when changing lanes and Clear Exit Monitor to help passengers stay safe as they exit the vehicle.

#### DRIVER ASSIST PACK

Driver Assist Pack contains Rear Collision Monitor and Adaptive Cruise Control which helps make motorway driving and heavy traffic situations even easier and more comfortable. It achieves this by gently assisting with acceleration and braking to maintain a set distance from vehicles ahead. Driver Assist Pack also includes the features of Blind Spot Assist Pack.

FEATURE SHOWN: ADAPTIVE CRUISE CONTROL

#### PARK ASSIST

Optional Park Assist makes parking easier than ever before, by automatically detecting available parking spaces and offering to park for you. At your command, your vehicle will complete the full parking manoeuvre automatically, while you simply sit back and keep an eye on the surroundings.

#### **BEAUTIFULLY FUNCTIONAL HEADLIGHTS**

Premium LED headlights with signature DRL are fitted as standard, with the option to choose Auto High Beam Assist technology and Animated Directional Indicators. The headlights produce a colour of light that is close to daylight, helping your eyes distinguish objects more easily and reduce driver fatigue. Optional Pixel LED headlights with signature DRL\* feature our most intelligent technology yet to provide even greater visibility. The Adaptive Front Lights optimise the beam according to your speed, location and current weather conditions. Additionally, the Adaptive Driving Beam automatically splits the main pool of light to help avoid dazzling oncoming drivers.

# THE ENGINEERING BEHIND THE EXCITEMENT

F-PACE is powered by our range of new petrol and diesel engines, with the option of the all-new Jaguar plug-in hybrid, for those seeking to lower their fuel consumption and  $CO_2$  emissions further still. With a wide range of options available, all including 8-speed Automatic Transmission and All Wheel Drive, F-PACE can perfectly match your lifestyle and driving needs.

You can also benefit from mild hybrid technology\*, which uses a small integrated electric motor to harvest energy lost during deceleration – intelligently redeploying it for improved efficiency.

\*Engine and market dependent.

VEHICLE SHOWN: F-PACE P400E HSE IN PORTOFINO BLUE WITH OPTIONAL FEATURES FITTED (MARKET DEPENDENT)

**AN ECO-THRILLING DRIVE.** Under the bonnet of the F-PACE Plug-in Hybrid is the P400e powertrain consisting of a 2,0 litre, 4-cylinder Petrol engine and a high-capacity 105kW electric motor. This can supply power in parallel with the engine or drive the vehicle in Electric Vehicle (EV) Mode. The 13,6kWh battery delivers an all-electric range of 59km<sup>1</sup> from a full charge, which is capable of managing most urban commutes or day-to-day trips, and can be re-charged in 1 hour 40 minutes<sup>2</sup>.

<sup>1</sup>The figures provided are NEDC2 calculated from official manufacturer's WLTP tests in accordance with EU legislation. For comparison purposes only. Real world figures may differ. CO<sub>2</sub> and fuel economy figures may vary according to wheel fitment and optional extras fitted. NEDC2 are figures calculated using a Government formula from WLTP figures equivalent to what they would have been under the old NEDC test. The correct tax treatment can then be applied. <sup>2</sup>80% charge with a dedicated wall box. Charging times will vary by market, power supply and charging solution. Please refer to jaguar.com for further information.

AND SAFETY

PRACTICALITY DESIGN

 $\mathbf{\hat{U}}$ 

PERFORMANCE

TECHNOLOGY

#### EXPERIENCE EXHILARATION EVERY DAY

It's the refined way F-PACE delivers its athletic performance that really impresses. The 8-speed Automatic Transmission is incredibly responsive, smooth and efficient. And when Dynamic Mode\* is selected in JaguarDrive Control, the acceleration and gear shift points become sharper and more responsive. Also, with Configurable Dynamics\* onboard, you can set up the dynamics so that engine response, gearbox shift points and steering all suit your driving style.

PRACTICALITY

AND SAFETY

DESIGN

11

In-car features should be used by drivers only when safe to do so. Drivers must ensure they are in full control of the vehicle at all times.

PERFORMANCE

TECHNOLOGY

#### WHAT'S THE USE OF WINDING ROADS IF YOU CAN'T ENJOY THEM?

F-PACE's Adaptive Dynamics\* works with Configurable Dynamics\*, so that you can shift from one driving style and one set of road conditions to another. It does this by constantly monitoring your wheel position and body movements, as well as analysing acceleration, steering, throttle and brake movements before automatically adjusting the suspension. JaguarDrive Control with Adaptive Surface Response also detects rough road and off-road conditions, and adjusts the suspension settings accordingly for a more comfortable ride.

\*Model and engine dependent.

DESIGN

PRACTICALITY AND SAFETY

PERFORMANCE

TECHNOLOGY

AND SAFETY

DESIGN

Fig. 2

When straight roads become snaking roads, F-PACE's Torque Vectoring by Braking makes all the difference. It provides controlled independent braking on the inside front and rear wheels to maximise capability through even the tightest corners. Together with Dynamic Stability Control, it corrects understeer, giving the vehicle its sports car-like agility and providing you with extra confidence when driving.

TECHNOLOGY

PERFORMANCE

**CHASSIS DYNAMICS** 

Fig 1. Understeer is kept to an absolute minimum.

Fig 2. Power is sustained to maintain constant speed of outer driven wheels.

Fig 3. Torque Vectoring applies brake pressure to slow the inside front and inside rear wheels independently.

#### ALL-WHEEL, ALL-WEATHER.

F-PACE's All Wheel Drive (AWD) system combines the agility and character of Rear Wheel Drive (RWD) with the added security and traction of AWD. In normal driving conditions, F-PACE is predominantly RWD for better handling and balance. But when roads or conditions become more challenging, the system subtly channels power for optimum traction and more comfortable progress. This is when Jaguar's Intelligent Driveline Dynamics (IDD) kicks in, using sensors measuring throttle and steering inputs to anticipate wheel slip. IDD seamlessly co-ordinates these inputs, and compares them with responses from the engine, transmission and traction control systems to calculate the traction available and distribute torque accordingly, even before grip is lost.

# A FULLY CONNECTED JOURNEY

### SIMPLICITY AS STANDARD

No more endless menus. No more fidgety commands. Pivi, Jaguar's impressive and seamless in-car infotainment system, enables you to do 80 percent of your usual tasks with just one or two taps. All on the home screen. Engineered around a smartphone-like interface, it features an intuitive 11,4" Touchscreen that allows you to go right to what's needed, when you need it. Plus, you can even connect your smartphone\* and enjoy your favourite compatible apps.

\*Compatible smartphones only. Your car is prepared for Apple CarPlay. The services offered by Apple CarPlay depend on feature availability in your country, please see **apple.com** for more information. Your car is prepared for Android Auto. The services offered by Android Auto depends on feature availability in your country, please see **android.com** for more information.

All in-car features should be used by drivers only when safe for them to do so. Drivers must ensure they are in full control of the vehicle at all times. Pivi and InControl features, options, third party services and their availability remain market dependent – check with your Jaguar Retailer for local market availability and full terms. Mobile network connectivity cannot be guaranteed in all locations. Information and images displayed in relation to the InControl technology, including screens or sequences, are subject to software updates, version control and other system/visual changes depending on options selected.

#### PERFORMANCE

#### TECHNOLOGY

#### **HOW DOES MUSIC MAKE YOU FEEL?**

Music has the power to change your mood, evoke memories and affect your wellbeing. It can give you tingles or make you cry. It's why music and cars go so well together. Sitting behind the wheel, listening to your favourite artist, band or composer. It's your space. Your world. But what if you could do more than simply listen to the music? What if you could feel it, experience it, immerse yourself in it? What if you could make more of a connection with the music and enjoy a greater sense of acoustic involvement in your Jaguar? British-based Meridian<sup>™</sup> Audio are all about the musical experience – the very sense of being there. Their award-winning, precision-engineered audio systems are built on a lifetime of research into psychoacoustics (the science of how the human brain perceives sound) to deliver a performance that is so true to life, you feel every beat, every breath.

Meridian is a registered trademark of Meridian Audio Ltd. Trifield and the three fields device is a trademark of Trifield Productions Ltd.

#### TECHNOLOGY

#### FEEL THE MUSIC WITH MERIDIAN™

Meridian's approach to in-car audio is all about managing the sound stage; intensifying the levels of depth, clarity and realism of the music, by using a combination of advanced acoustic technology and strategically positioned speakers.

Wherever you sit in the car, you'll get the same concert-quality sound. Each strike of the piano, every guitar pick, horn blast, chorus and melody reveals itself with precision and texture, just as the artist intended. It's intimate, dramatic and atmospheric - whether you're enjoying the twists and turns of an open road or stuck in rush-hour traffic.

#### **1. SOUND SYSTEM**

Gives new levels of realism to your favourite music with a combination of speakers, 6-channel amplifier, Audio Equalisation and Dynamic Volume Control.

#### 2. MERIDIAN SOUND SYSTEM

Brings detail and clarity to everyone in the car with strategically arranged speakers and a dual-channel subwoofer to deliver a full, sophisticated sound.

Visuals aim to represent the perceived placement of the musicians based on an occupant seated on the right side of the vehicle.

DESIGN

PERFORMANCE

#### **TECHNOLOGY**

#### **3. MERIDIAN SURROUND SOUND SYSTEM**

Enjoy an engaging, authentic concert hall experience as you're enveloped in the fullness and clarity of side, front and rear speakers seamlessly integrated using Trifield<sup>™</sup> technology.

## **F-PACE SVR**

Welcome to F-PACE SVR: the pinnacle of our award-winning model lineup. Designed and engineered by Jaguar's Special Vehicle Operations division, F-PACE SVR combines class-leading performance, agility and dynamism with the practicality of an SUV. This is the ultimate driver's car. At the heart of F-PACE SVR lies a powerful V8 Supercharged Petrol engine, delivering breathtaking power and a visceral driving experience.

PERFORMANCE

**F-PACE SVR** 

#### PERFORMANCE

The 5,0 litre V8 Supercharged Petrol engine delivers 550PS of power and 700Nm of torque. The latest technology – including new Dynamic Launch – means F-PACE SVR roars from 0-100km/h in just 4,0 seconds, reaching a top speed of 286km/h.

Stiffer front and rear springs and improved dampers provide enhanced ride and handling. Adaptive Dynamics ensures exceptional agility for an exhilarating, confident ride, with the new 'Integrated Power Booster' for uprated braking performance.

PERFORMANCE

## EXTERIOR

①

Stunning to look at, F-PACE SVR's exterior has been designed to enhance aerodynamics and performance. The all-new front bumper features larger air intakes, providing both an assertive, sporty stance and assisting airflow to the powertrain and cooling systems. A unique front fender also sets this vehicle apart, while highly functional bonnet vents and side vents – finished in sleek Satin Grey – minimise air pressure to the wheel arches, reducing front end lift.

DESIGN

PERFORMANCE

**F-PACE SVR** 

## EXTERIOR

F-PACE SVR's lightweight alloy wheels provide handling confidence while lending eye-catching style - whether you choose the standard 21" or optional 22" Technical Grey with Diamond Turned finish wheels, or our new 22" wheel in Gloss Black with Technical Grey detail. For performance you can hear, the Variable Valve Active Exhaust System optimises sound quality and performance. Enjoy refined and effortless travel when in Comfort Mode, or switch to Dynamic Mode for a drive that's tuned to thrill. Acoustic feedback responds to driver input, delivering a racecar-inspired crescendo.

## INTERIOR

①

Inside F-PACE SVR, style and performance work in perfect harmony. Windsor leather and suedecloth are used throughout the cabin, affording sporty looks and SUV versatility. The 14-way, heated and cooled front Performance seats feature SVR branding and a perforated pattern, while in the back, unique heated rear seats echo these design cues. A choice of four interior colourways allows you to add your own style, or you can upgrade to perforated Semi-Aniline leather seats in stunning Light Oyster or Ebony. The choice is yours.

DESIGN

## **F-PACE SVR**

## INTERIOR

F-PACE SVR's sporting character is underscored by such touches as the updated leather steering wheel with thumb grips – featuring a Monogram dimpled outer rim and unique Flame Red and Light Lunar SVR stitching on the inside rim. The new Monogram dimpled leather Drive Selector is the perfect complement while unique aluminium veneers, with Monogram etching with the option to upgrade to Open Pore Carbon Fibre, complete the look. With Pivi Pro's 12,3" Interactive Driver Display\* providing information at a glance, the cabin is as intuitive as it is sophisticated.

#### **IMPORTANT NOTICE**

Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles, parts and accessories and alterations take place continually. Whilst every effort is made to produce up-to-date literature, this brochure should not be regarded as an infallible guide to current specifications or availability, nor does it constitute an offer for the sale of any particular vehicle, part or accessory. Distributors and Retailers are not agents of Jaguar Land Rover Limited by any express or implied undertaking or representation.

Vehicles shown throughout are from the Jaguar Global Range. Specifications, optional features and their availability may differ by vehicle specification (model and powertrain), or require the installation of other features in order to be fitted. Please contact your local Retailer for more details, or configure your vehicle online.

#### COLOURS

Image colours reproduced here are provided for illustrative purposes only. Colours are reproduced on-screen and may therefore vary compared to the actual finish. The company reserves the right to alter or withdraw any colour finish without notice. Some of these colours may not be obtainable in your country. Please check availability of colours and current specifications with your Jaguar Retailer. Distributors and Retailers are not agents of Jaguar Land Rover Limited and have absolutely no authority to bind Jaguar Land Rover Limited to any express or implied undertaking or representation.

#### **ENVIRONMENTAL INNOVATION AT JAGUAR**

Jaguar is committed to reducing dependency on fossil fuels, using fewer natural resources and creating less waste as part of our approach to responsible and sustainable business development.

Search 'Jaguar Environmental Innovation' for more details.

Standard.

Class A (18" and 19" wheels) Class B (20" - 22" wheels).

\*The figures provided are NEDC2 calculated from official manufacturer's WLTP tests in accordance with EU legislation. For comparison purposes only. Real world figures may differ. CO<sub>2</sub> and fuel economy figures may vary according to wheel fitment and optional extras fitted. NEDC2 are figures calculated using a Government formula from WLTP figures equivalent to what they would have been under the old NEDC test. The correct tax treatment can then be applied. \*\*WLTP is the new official EU test used to calculate standardised fuel consumption and CO<sub>2</sub> figures for passenger cars. It measures fuel, energy consumption, range and emissions. This is designed to provide figures closer to real-world driving behaviour. It tests vehicles with optional equipment and with a more demanding test procedure and driving profile. Figures are shown as a range under WLTP testing measures. The lowest figures refer to the most economical/lightest set of options. The highest figures refer to the least economical/heaviest set of options. WLTP legislation dictates that where there is <5g CO<sub>2</sub> variance between the lowest and highest figures, only the highest is declared.

NEDC2 CO <sub>2</sub> Emissions	Urban	(g/km)	_	_	360	
	Extra Urban	(g/km)	-	_	202	
	Combined	(g/km)	54	54	260	
WLTP**						
	Low	l/100km (mpg)	-	-	18,9 (14,9)	
	Medium	l/100km (mpg)	-	-	12,1 (23,3)	
WLTP Consumption	High	l/100km (mpg)	-	-	10,4 (27,2)	
	Extra High	l/100km (mpg)	-	-	11,4 (24,8)	
	Combined	l/100km (mpg)	2,2 - 2,5 (13	30,2 - 112,5)	12,2 (23,1)	
	Low	(g/km)	-	-	426	
	Medium	(g/km)		-	273	
WLTP CO <sub>2</sub> Emissions	High	(g/km)		-	233	
	Extra High	(g/km)		-	256	
	Combined	(g/km)	49 -	- 57	275	

■ Standard — Not available.

Class A (18" and 19" wheels) Class B (20" - 22" wheels).

\*The figures provided are NEDC2 calculated from official manufacturer's WLTP tests in accordance with EU legislation. For comparison purposes only. Real-world figures may differ. CO<sub>2</sub> and fuel economy figures may vary according to wheel fitment and optional extras fitted. NEDC2 are figures calculated using a Government formula from WLTP figures equivalent to what they would have been under the old NEDC test. The correct tax treatment can then be applied. \*\*WLTP is the new official EU test used to calculate standardised fuel consumption and CO<sub>2</sub> figures for passenger cars. It measures fuel, energy consumption, range and emissions. This is designed to provide figures closer to real-world driving behaviour. It tests vehicles with optional equipment and with a more demanding test procedure and driving profile. Figures are shown as a range under WLTP testing measures. The lowest figures refer to the most economical/lightest set of options. The highest figures refer to the least economical/heaviest set of options. WLTP legislation dictates that where there is <5g CO<sub>2</sub> variance between the lowest and highest figures, only the highest is declared.

# F-PACE - DIMENSIONS

Vehicle Height - 1.664mm (1.670mm on SVR)

## Headroom

Maximum front/rear headroom with Panoramic roof fitted 960 / 952mm Maximum front/rear headroom with standard roof 1.007 / 977mm

## Legroom

Maximum front legroom 1.023mm Maximum rear legroom 944mm

## Loadspace Capacity

Height 751mm, Width 1.091mm Loadspace width between arches 1.048mm Maximum loadspace volume behind first row Dry\* Up to 1.440 litres, Wet\*\* Up to 1.842 litres Maximum loadspace volume behind second row Dry\* Up to 613 litres, Wet\*\* Up to 793 litres

## **Turning Circle**

Kerb-to-kerb 11,93m (12,01m on SVR) Wall-to-wall 12,2m (12,29m on SVR) Turns lock-to-lock 2,52

1.640,2mm (1.648,3mm on SVR)

1.655,7mm (1.665,9mm on SVR)

\*Dry: Volume as measured with VDA-compliant solid blocks (200mm x 50mm x 100mm). \*\*Wet: Volume as measured by simulating the loadspace filled with liquid. Volume measured up to the headliner. Boot configuration and total loadspace will vary by vehicle specification (model and powertrain) and market, and if full size spare or space saver spare wheel is fitted.

Dimensions were measured with vehicle at unladen weight.

4.747mm (4.762mm on SVR)
